

3.1 CERTIFICATE OF MATERIAL

Certificate No: 20250520-070-02

Purchaser: OIL METAL S.A.

Date of Inspection: 2025-05-20

Form Code Name: DSH-QR-819

Order No.	GTL-PI-250417	Productname	OCT	Material Grade	SOFT IRON	Sources of material	TAIYUAN							
Production No.	WSK202512301#	BatchQty	140PCS	Material Specifications	Φ 50	Executive Standard	ASTM A29M							
Specifications	R16/R24/R37/R39/R45/R49			Materials furnace No.	B24315320	Product attributes	Forging							
				Heat treatment furnace No.		Testing Equipment	X-MET5000							
Chemical Composition ≤ %														Remark: Hardness (standard): ≤90 HB Hardness (Measurement): 68-78 HB
Analysis Project	C	Si	Mn	P	S									
Content%	≤0.05	≤0.40	≤0.60	≤0.035	≤0.04									
Measurement	0.004	0.04	0.12	0.010	0.005									
Mechanical Property ≥ %														
Analysis Project	σ _{0.2} Yield point (Mpa)		σ _b Tensile strength (Mpa)		δ ₅ Elongation (%)		ψ Reduction (%)							
Standard	180-280		100-170		30-50		—							
Measurement	255		150		38		—							
Conclusion: After inspection, the quality of the standard of ASTM A29M, allowed delivery. All items in the certificate are produced starting from forged material.														
Note: If there are problems of quality, please detail the order number, Certificate No. production batch number, product name, product specifications, materials, etc.
